AMBI Faculty Member to Publish Book

Congratulations to AMBI faculty member D. Micah Hester! At the end of June Cambridge University Press will publish a new book to help with the education of ethics committee members, *Guidance for Healthcare Ethics Committee*, eds. D. Micah Hester and Toby Schonfeld. The book is composed of chapters covering important topics that ethics committees confront. Each chapter utilizes cases and thought-provoking questions to stimulate committee discussion.

The book is currently available for preorder at: [http://www.cambridge.org/gb/knowledge/isbn/item6796355/?site_locale=en_GB](http://www.cambridge.org/gb/knowledge/isbn/item6796355/?site_locale=en_GB). A 20% discount (using the code GHEC1) is available through the end of 2012, and CUP has agreed to offer quantity discounts for the entire print run when purchasing more than 15 copies.
