MISSION

We are committed to improving health by attaining the highest standard of quality in care delivery, education, and research initiatives.

VISION

As an academic medical system, we will deliver the best possible experience for all patients wherever we interact with them. We will foster teaching, learning and discovery, fiscal responsibility, and adaptability to change.

VALUES

• Excellence and continuous improvement
• Integrity in every decision we make
• Compassion and respect for the dignity of every person
• A diverse, inclusive and welcoming environment
• Collaboration throughout our organization
• Responsiveness to the people of our communities
