www.currentconceptsinmenshealth.org
**Who Should Attend**

This activity is designed for urologists, primary care physicians, physician assistants, nurse practitioners, residents and nurses who are interested in advancing their knowledge about health issues including prostate cancer, benign prostate diseases, erectile dysfunction, incontinence and kidney and bladder dysfunction.

**Course Objectives**

By the conclusion of this course, the participants should be able to:

- Understand the pathophysiology and management of overactive bladder.
- Understand the optimal timing to initiate systemic therapy for patients with recurrent prostate cancer.
- Discuss the role of surgical and non-surgical management of patients with BPH and erectile dysfunction.
- Discuss the treatment options available to men with hormone refractory prostate cancer.
- Familiarize with the various options for the management of adult and pediatric varicocele.
- Properly select patients for combination therapy for Lower Urinary Tract Symptoms and Erectile Dysfunction.
- Evaluate the differences amongst various anticholinergic medications.
- Understand the role of recent advances in radiation therapy for men with localized prostate cancer.
- Understand and be able to implement the new rules and regulations regarding coding and billing for services.

**Accreditation**

Albany Medical College is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Albany Medical College designates this educational activity for a maximum of 14 AMA Category 1 credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

**The Sagamore**

Located in the Adirondacks on Lake George, The Sagamore offers many pleasures, no matter the season. Lovingly restored and updated, the historic island resort combines all the activities and comforts you desire today, with luxury and service reminiscent of the past. As a guest you can enjoy an indoor pool, an indoor tennis and racquetball court, pro shop, a game room, the beach and the fitness center. Relax and rejuvenate at The Sagamore Spa, which offers a full range of European-style services (fees for some services are required). The Trillium offers fine dining and more casual fare is found in Mister Brown’s Pub.

If you wish to make personal arrangements for activities in the afternoon, call The Sagamore Resort at 1-800-358-3585. Activities at the Sagamore include golf, spa, hiking, boating, sailing, parasailing, tennis, biking and much more.

**Area Attractions**

If you feel like venturing outside The Sagamore, the surrounding areas have enough to see and do to satisfy many interests. Recreational activities include biking Gore Mountain, kayaking tours through the Lake George Kayak Company, Lake Cruises, Saratoga Race Track and the Great Escape Theme Park. Cultural attractions include Fort Ticonderoga, Fort William Henry, Lake Placid Winter Olympic Museum, National Museum of Racing & Hall of Fame and National Baseball Hall of Fame.

For more information, please contact the concierge at the Sagamore by email: concierge2@thesagamore.com or by phone at (800) 358-3585.

**The Horicon**

The Horicon is our 85 foot, triple deck, wooden yacht. She was lowered into the water in 1988 and has been a Lake George favorite ever since. The Horicon is the fourth commercial vessel to bear this name at Lake George. Built almost entirely of mahogany, teak, and yellow pine, this beautiful ship is glass enclosed on the first two decks. The third deck is an open observation deck.
