
Albany Med is comprised of Albany Medical Center Hospital, Albany Medical College, the Bernard & Millie Duker Children’s Hospital at Albany Med and South Clinical Campus, an off-site ambulatory surgery site.

Overview

Albany Medical Center Hospital is the region’s largest hospital with 734 beds and 37,000 admissions annually.

Unique regional programs include:
- State-designated Regional Trauma Center
- State-designated AIDS Treatment Center
- State-designated Regional Resource Center
- Region’s most sophisticated emergency department
- Air medical transport service, LifeNet of New York
- Region’s only kidney and pancreas transplantation Program

South Clinical Campus performs nearly 9,500 procedures annually.

The Bernard & Millie Duker Children’s Hospital at Albany Med includes:
- The Melodies Center for Childhood Cancer and Blood Disorders
- Pediatric and neonatal intensive care units
- Nearly 7,000 admissions annually

Pharmacy services include:
- Clinical
- Inpatient
- Outpatient
- Ambulatory
- Operating room
- Nuclear pharmacy
- Investigational drug research Residency Program

Residency Program

Albany Med’s residency program is designed to accelerate growth beyond entry-level professional competence in acute institutional direct patient care and practice management. This residency program provides experiences to meet all required outcomes for ASHP accreditation, is designed to access the best learning experiences, and to individualize experiences to areas of interest and learning needs. Experiences consist of a combination of rotational, longitudinal and concentrated activities. Emphasis is placed on progressive development of clinical judgment and professional competence.

Benefits
- Competitive salary
- 15 days combined paid leave
- Paid holidays
- Medical/dental/vision benefits
- Life insurance
- Education/professional leave
- Travel allowances
- ASHP membership dues reimbursement

Experiences Available
- Medical Intensive Care Unit
- Surgical Intensive Care Unit
- Infectious Disease/Antimicrobial Management
- Internal Medicine
- Kidney and Pancreas Transplantation
- Anticoagulation Management
- Ambulatory Care
- Pharmacy Administration/Management
- Oncology
- Inpatient Operations
- Adult HIV Internal Medicine
- Pediatric Internal Medicine
- Pediatric/Neonatal Intensive Care Unit
- Emergency Medicine
- Cardiology
- Drug Information
- Teaching Certificate Program/Student mentorship

Application Requirements
- Graduate of an accredited college of pharmacy
- Letter of intent
- Official university transcript
- Three letters of recommendation
- CV

All residents must be eligible for licensure in the state of New York.

Application material must be submitted by PhORCAS (www.ashp.org/phorcas). After the entire application package is reviewed, the selection committee will arrange potential on-site interviews.

About Albany

The capital of New York State, Albany is a bustling urban center well-known for its “small-town” atmosphere. It is at the heart of New York’s Capital Region, an environmentally and culturally diverse area, home to nearly one million residents.

The Capital Region offers hosts of opportunities for entertainment, sight-seeing, outdoor recreation and cultural events. Residents enjoy a wide-range of indoor and outdoor activities available within a short distance of Albany Med’s campus. From beautiful Washington Park to the historic downtown, residents have their pick of activities, eateries and other opportunities.

State and local libraries, museums and galleries exist throughout Albany. Numerous malls and specialty shops are just minutes away. The Riverfront Park plays host to Alive at Five, an outdoor summer concert series. Our area is filled with many opportunities to explore.
