About the Course

This course is designed to address a variety of topics of interest to the emergency medicine provider in a casual, relaxed atmosphere that promotes learning and networking. Presentation formats include didactic sessions with opportunities for audience interaction and participation.

Educational Outcomes

At the conclusion of the symposium, participants should be able to:

• describe a rational approach to patients with undifferentiated bleeding.
• develop reasonable approach to children who have ingested high-risk toxins.
• improve intra-osseous line insertion, umbilical vascular catheterization and pediatric airway management skills.
• recognize the implications of the Institute of Medicine’s Report on Emergency Medicine on EM practice.
• discuss how ethical considerations may increasingly play a role in EM practice.

Target Audience

The symposium will be of interest to physicians, residents, physician assistants and nurse practitioners who specialize in emergency medicine. EMS providers and interested allied health professionals are welcome to attend. This year’s symposium may also be of interest to pediatricians.

Attire

Attire for the conference and reception is casual. Skiwear is acceptable, however, ski boots should not be worn in the conference area. Since everyone has a different comfort level, we suggest a sweater or that you dress in layers.

Accreditation

Albany Medical College is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Albany Medical College designates this educational activity for a maximum of 11.25 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Application has been made to the American College of Emergency Physicians for Category 1 credit.

PA’s

AAPA accepts Category I credit from AOACCME, Prescribed credit from AAFP and AMA Category I CME credit for the PRA from organizations accredited by ACCME.

For information regarding other professional credit, contact the Office of Continuing Medical Education.
Tuition

Tuition includes the registration fee, course syllabus, breakfast, and breaks each day and the reception on Monday evening. Guests, including children, are welcome at the reception for an additional per person fee. Albany Medical Center endorses a responsible drinking policy.
