Team Sarcoma 5K Run/Walk
Celebration and picnic will follow race. Details to follow.

1st Annual Team Sarcoma 5K Run/Walk and 4th Annual Sarcoma Picnic

What a gorgeous day at Saratoga State Park. The inaugural event was an overwhelming success on many levels:

- 300 participants and volunteers
- $12,000 raised for sarcoma research

Funds were donated to the Liddy Shriver Sarcoma Initiative, whose founders, Bruce and Beverly Shriver, joined us for the day’s events. The Times Union featured a blog post of the event as well as CBS 6 Albany and Time Warner Cable News aired coverage of the event to help increase awareness of sarcoma in our community.

Saratoga Springs Mayor Joanne Yepsen attended the event, addressing and inspiring the crowd.

The event was followed by our 4th Sarcoma Awareness Picnic with patients, their families and friends gathering at the warming hut to share stories, enjoy a meal, relax and soak up the incredible weather and energy of the day.
