## Pediatric Grand Rounds
For the month of February 2010

### February 3

**“Flu Over Here, Flu Over There: The 2009 H1N1 Influenza A Pandemic”**

**Tyrone Bristol, MD**  
Chief Medical Officer/Attending Pediatrician  
Shanghai United Family Hospitals and Clinics, Shanghai, China

At the conclusion of this activity, the participant should be able to:  
1. The Epidemiology of H1N1  
2. The current recommendations for Dx, Tx, and prevention of H1N1

### February 10

**“Demands, Conflicts, and Accommodations in the Physician-Patient Relationship”**

**Bruce White, DO, JD**  
Director, Alden March Bioethics Institute  
John A. Balint, Chair of Medical Ethics  
Professor of Pediatrics, AMC

At the conclusion of this activity, the participant should be able to:  
1. Discuss a case that illustrates a situation in which unreasonable expectations led to physician-patient conflict.  
2. List the obligations of the parties in the physician-patient relationship.  
3. Critique several strategies that permit accommodation in the physician-patient relationship to avoid conflict and rupture.

### February 17

**“When the Factory Goes on Strike... Clinical manifestations of abnormalities in the mitochondria and peroxisomes”**

**Darius Adams, MD**  
Assistant Professor of Pediatrics  
Section of Pediatric Genetics  
Albany Medical Center

At the conclusion of this activity, the participant should be able to:  
1. Describe the function of mitochondria and peroxisomes.  
2. Identify the clinical situations in which a mitochondrial or peroxisomal disorder should be suspected.  
3. State the inheritance pattern of the conditions described.

### February 24

**“Lead Poisoning”**

**Carrin Schottler-Thal, MD**  
Assistant Professor of Pediatrics  
Community Pediatrics, Section Head

At the conclusion of this activity, the participant should be able to:  
1. Define Lead Poisoning and its Consequences.  
3. Understand why a blood lead test is recommended at one and two years of age, and review current screening recommendations.

---

*Grand Rounds are held in ME700 Auditorium from 8:00 am - 9:00 am, unless otherwise noted.*

This program has been designed to meet the interest of the physician, physician assistant, nurse practitioner, and resident whose practice involves the delivery of pediatrics.  
Albany Medical College is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to sponsor continuing medical education for physicians.  
The Albany Medical College designates this educational activity for a maximum of 1 AMA PRA Category 1 Credit ™. Physicians should only claim credit commensurate with the extent of their participation in the activity.
