Sites: #1 Saratoga Hospital, #2 Community Hospice, #3 Albany Med Health System Peditarics #4 (LTC) Long Term Care at Wesley

Continuity Clinic will occur 1/2 day per week throughout the year.

Inpatient Hospice/Comfort Care will be an integrated part of both the Inpatient and Hospice Blocks

Didactics, Research and QI projects will be conducted throughout the year of fellowship (a dedicated 2 weeks will be given in block 2 to get this started)

Note: 3 weeks of vacation and 1 week of CME, may be taken during outpatient rotations and not to exceed 1 week per block.

There are multiple electives which will be available, based upon individualized interest.
Examples of available electives include (but are not limited to):

- Geriatrics
- Oncology
- Radiation Oncology
- Addiction Medicine
- Pain Management
- Pulmonary/Critical Care
- Nephrology
- Cardiology
- Neurology
- Psychiatry
- Ethics
- Spiritual Care
