Continuity Clinic will occur 1 day per week throughout the year, Clinic pm will also be home visits as scheduled.

Inpatient Hospice/Comfort Care will be an integrated part of both the Inpatient and Hospice Rotations.

Long Term Care will be for 3 weeks, and Pediatrics will be for 2 weeks.

Didactics, Research and QI projects will be conducted throughout the year of fellowship (a dedicated 2 weeks will be given in block 2 to get this started)

Note: 20 days of vacation and 1 week of CME, may be taken during inpatient rotations and not to exceed 1 week per block.

There are multiple electives which will be available, based upon individualized interest.

Examples of available electives include (but are not limited to):

- Geriatrics
- Oncology
- Radiation Oncology
- Addiction Medicine
- Pain Management
- Pulmonary/Critical Care
- Nephrology
- Cardiology
- Neurology
- Psychiatry
- Ethics
- Spiritual Care
